May 2020

The President's Corner

Launa Hewes

Right now, our world is in turmoil, as we face the chaos caused by a virus. There are many uncertainties and many are fearful. We as a nation and community have faced many such times. We always come out of it better because we choose to pull together. Helping each other will benefit everyone. There are so many things we can do to help our neighbors and anyone that is at risk. Offer to shop for them or pick up prescriptions. Call friends and loved ones that are quarantined, wherever they may be. Send cards or notes to residents of nursing homes, hospitals or shut-ins.

Social distancing does not mean we no longer care, it just means we have to do things differently, more deliberately. We are blessed to have technology that allows us face-to-face visits while maintaining our distance. Don't become so wrapped up in fears and concerns that you forget that we are social creatures, needing love and attention. When we will get through this, we will need to work together at The HUB to continue providing healthy meals, fun events and precious socializing.

The HUB will be its holding annual membership meeting and elections June 12th. Due to changes in health, Dianne Heggen will not be our incoming president and our secretary, Yvonne Priddy, will no longer serve. The Board will need to fill the positions of President, Incoming President, Secretary, Treasurer and Member-at-Large. Board members will be expected to take positions of responsibility overseeing several areas: Activities, Building/Landscaping Maintenance, Finance, Fundraisers, Gala, Kitchen Supervision, Membership and other transitory responsibilities. Please use this time of social distancing to search your heart and consider becoming a Board Member. If you are interested, please contact the Chairwoman of the Nominating Committee by leaving her a message with Kevin at The HUB office.

(spaces may be available, for info call Ann Miller at 675-0846)

UPDATES

- The HUB sponsored a very successful "Business After Hours" on February 27th. The 50 attendees had a chance to network and tour The HUB. Thank you to all who attended.
- The Spring Gala scheduled for April 25th, has been postponed due to the virus health concerns. It is anticipated the Gala will be rescheduled to early fall. All donated auction items are being packaged and stored at The HUB; all prepaid tickets may be refunded or held for the rescheduled event. To make arrangement for ticket refunds, please contact The HUB Office Manager at your convenience.
- The Mother's Tea has been postponed as well. The Chairman of the event will contact table hostesses to determine a convenient time to review our options.
- Follow us on Facebook to stay current.

At the March 13th meeting of the Board of Directors, after deliberate and careful consideration, made the difficult decision: Due to serious health and welfare concerns of our membership, as well as swiftly changing governmental "requirements", the HUB building would immediately be closed to social activities of any kind until April 13th. This closure will be reviewed at the April 10th Board meeting and a determination made as to the then current safe practice policy in place regarding meeting of people in public places. Currently no lifting of restrictions is on the immediate horizon. We will continue to monitor and follow current requirements of the Tri County Health Department, Washington State Health Department as well as US National Department of Health regarding our return to normalcy.

In the meantime, the Tuesday and Thursday meals will be offered on a take-out basis only. **Reservations for either or both days are strictly required by 9:00 a.m. on Monday morning. Telephone reservations by recorded message: 675-1479. Or, email ccscthehub@gmail.com. (The "Frequent Flyer" list is not available at this time.)** Meals are available for pickup from 11:45 am through 12:30 pm, Tuesday and Thursdays. Payment will be taken and meal(s) delivered to you in your car as you drive under the portico at the front of The HUB building.

This will pass and we will again resume our regular activities and sharing of our stories of this historical time in our nation's history. Be safe, keep healthy and keep your eyes on the future. This might be the time to finish some project, write a letter or card, make that phone call to friend or loved one, or read book watch that you have been waiting to find the time to enjoy.

*Go through all your old photographs.
Select 10, tape them to your kitchen cabinets.
Change them every 10 days.*

THANK YOU for joining us as GOLD MEMBERS
COLVILLE ANIMAL HOSPITAL
HEWESCRAFT
